

## TCS Supply List for TCS School@Home

Dear parents, guardians, and caregivers,

These are the items we are asking that all students have in order to be prepared for this school year. We have carefully selected the items so that to be supportive of the instruction your child will be receiving in their distance learning classrooms.

If other items are needed later in the year, your child's teacher will let you know. We will try to keep these requests at a minimum.

In addition to this list, students in grades 4-8 will be issued instruments for their music classes. 3rd graders will receive instruments later in the year when they are ready for that type of independent practice.

All middle school students will receive a sketch book. All K-2 students will receive Foundations Notebooks that parents will pay for via Cash-Online. We will provide specific information on this later. Textbooks for the grade levels and courses will be provided to all students as appropriate.

Finally, you will need a source of books to read for your child to have at home. Some public libraries including the North Palm Beach Library, are open and can prepare a collection of books for you to pick up and take home without taking too much time inside the facility. Please call your local library to see what services are available.

### **Supplies: All students would benefit from using headphones when using distance learning.**

#### **Grade PK-3**
